ACTION TAKEN REPORT- 2023-2024

The feedback collected is analysed and sent to the respective authorities for the actions.

Feedback	Action Taken	Impact
Students asked for e-learning platform facilities for their academic excellence	The College is working to understand students 'needs and challenges to ensure their issues are effectively addressed.	Provided students with more access to learning opportunities beyond their textbooks.
Students recommended for an updated curriculum	Teachers took more attention to implement advanced trending practices to elevate the learning environment of students	Improved learning and retention of students
Suggested for more field visit opportunities	The college has implemented more field trips as part of the curriculum to provide practical exposure and hands -on - learning.	Provided an interactive and dynamic learning environment.
Students suggested for the improvement of library resources, text/reference books and learning materials and availability of e-books	The library block was renovated with sufficient books and digital library was also introduced	Provided students with a wealth of resources to support their learning
Suggested to improve college infrastructure for curricular and co-curricular activities	The college authorities have taken proactive steps to improve its infrastructure for curricular and co-curricular activities.	Encouraged more students to participate in curricular and co-curricular activities.
Suggested the need to improve the facility for quick first aid and medical facilities inside the campus	The college authorities have set up a medical room for students based on their needs	Provided students with access to medical care and treatment.
Students suggested to improve sports facility	More sports events were organized by the collective initiative of sports club and college management	Improved competitive attitude and team spirit among students
